Letter of Recommendation

I am very much pleased to recommend Binimol Francis, Puliyanikattu house, Vazhakulam P.O, Vazhakulam as a prospective student for the Masters programme in your University. I have known her as a B A English Language and Literature student in this college (2018-2021)

Binimol Francis is quite ambitious and career driven. She works hard to achieve her goals and is committed to her work. She is very interactive in the classes and endorses the discussion with cogency and natural ease. She is a student with self-reliance and good levels of self-confidence.

Binimol Francis's ability to understand the subjects and quest for knowledge constantly impressed me. I could realize that she is highly motivated, inquisitive and was passionate to gain in-depth knowledge. She is actively involved in co-curricular and extracurricular activities. She is a student with self-reliance and good levels of self-confidence.

I wish her all the success for future endeavours
