Subject: Medium of Instruction

This is to certify that **Mr. Devans Dubey** was the regular student of our School. He was enrolled in +2 Science in 2019 A.D. He has successfully completed in the year 2021 A.D. He has secured **3.65 GPA** out of 4 in final examination.

During his study period I found **Mr. Dubey** really enthusiastic, creative, won't leave job unfinished and always forward to learn more. He is hard working, meticulous and very enthusiastic. He has participated in many extracurricular and co-curricular activities organized by the School. He is punctual and interactive during different interactions. He has showed a great degree of leadership and team work during his study with full dedication and determination.

At Tilottama Secondary School affiliated to National Examination Board Nepal, we have English as a medium of language. All sorts of teaching and learning takes place in English. Hence, **Mr. Dubey** English is good and language will not be a hurdle at all. If you need any additional information about his, please feel free to contact me at cell number +977-9857033132 or by email at tilottamacampus2056@gmail.com anytime.

I wish him all the successes in the days to come.
