To Whom It May Concern

It is my pleasure to recommend **Mr. Binam Gurung** for admission at your esteemed University for undergraduate program. **Mr. Binam** was a hardworking student who understands and cooperates with his friends. He had shown an innovative nature and ability to think from non-conventional point of view. He had a very amicable disposition making him approachable and easy to communicate. He has fluent in English and can express his ideas in a lucid manner.

Beside his bright academic side, he has demonstrated his skill through his involvement in various extra-curricular activities during his study years. He regularly showed up in the programs, such as creative writing, speaking competitions and he also enjoyed conducting various programs in English language with the best proficiency and performance.

We have observed **Mr. Binam Gurung** a social person among friends and him always as contributed to classroom discussion with his views supported by meticulous side. In the light, he was a role model among his classmate. We can foresee **Mr. Binam Gurung** emerging as an academic scholar in this field in the future and would like to request for generous consideration for his admission application, including the available financial aid or scholarship opportunities.

If we can be for any further assistance, or provide you with information, please do not hesitate to contact.
