LETTER OF RECOMMENDATION

I had the great pleasure of knowing " Ranjith B K " during his 3 years of bachelor degree course. He had been a tremendous student and an asset to our college . I would like to take this opportunity to recommend " Ranjith B K " for your Master's program.

I lectured him subjects of income tax , quantitative analysis and management accounting during his 3 years of bachelors degree , I discovered him as a focused , disciplined and student with receptive mind . Additionally , he has very positive attitude and has a unique quality of seeing problem differently .

He has always tried to connect studies with some practical exposure and thus became a member of organizing committee who had organized a natural seminar on " Management Accounting And Business Law " . He has not only participated in it but also made students aware about it . He advice had been great help to students.

Though " Ranjith B K " has consistently excelled in all areas of his course work , the best example of his intelligence shown through a presentation on the seminars through during his bachelors . The well – cultivated showcasing proved his ability to deliver a clear concise and well thought presentation .

It is for these reasons that I offer high recommendation for " Ranjith B K " without reservation his unique energy and optimism will truly be an asset to your institution , feel free to contact me at any point, should you have question about his recommendation.
