LETTER OF RECOMMENDATION

I am writing to you in support of Punyashree A S and her desire to do Master's at your elite University. I recommend that she has been given the opportunity to study at your university.

As faculty (presently H.O.D) of Commerce Department at University College of Arts, Tumkur. I tutored her on subjects of Income Tax, Quantitative Analysis & Management Accounting. She is clear about her goals, focused and disciplined towards her destination.

In addition to her course work, Punyashree A S has also dedicated some of her time to extra co-curricular activities. She assumed leadership goal and she became creative head of the Western Dance Group & won 1st prize in dance, not only showcased her management skills but also developed her as leader. She has also participated in other events held during her degree course and I have noticed that she is also good at presentation skills.

I believe that Ms. Punyashree A S has the caliber and I am sure, she will find her self to be a student whose talent will shine further through your graduate program. It is my pleasure to recommend her admission to your elite University. If you require further information, please feel free to contact me at any time during the working hours.
