## Experience Certificate

To Whom It May Concern:

This statement should be taken as a certificate of excellence for Mr. Sujan Thapa, who had served in our school as an English Teacher in primary level from 5<sup>th</sup> August 2015 to 10<sup>th</sup> March 2022. His conceptual learning method was very attractive and famous among the students. He had taken care of the students and worked very hard to teach the students in easier way. During his teaching period, he had organized different extra curriculum for students. His overall gesture is good. We consider him as a valuable resource in our school.

We are sure Mr. Sujan Thapa will prosper in his future study and bright career and we wish him all the very best. We hope he will grow consistently.
