Dear Admissions Committee,

I'm writing to expressly suggest that Mr. Samim Mansuri be admitted to your university's prestigious undergraduate program. Between 2019 to 2023, I collaborated closely with Mr. Mansuri while he was student at SRSSS.

I have seen Mr. Mansuri succeed academically and personally during his stay in SRSSS. He has continued to receive excellent grades during his time in high school. Furthermore, his outstanding teamwork and leadership abilities during cooperative projects have really surprised his teachers and peers.

Placing in the top 10% of his high school graduating class, Mr. Mansuri has impressively maintained an exceptional academic rank throughout high school. His resilience and strong resolve are evident in how he overcomes obstacles, which truly astounds me. Mr. Mansuri put a lot of effort into community service projects and took part in a lot of school events in addition to his academic pursuits. This demonstrates both his devotion to personal development and his dedication to the community.

In addition to his individual accomplishments, I want to draw attention to Mr. Mansuri's financial need. Giving him the assistance he needs will enable him to continue his quest for knowledge. I thus urge that Mr. Mansuri receive full financial assistance. This will enable him to advance and accomplish his objectives. I firmly feel that he will be an excellent fit for your esteemed university and that he will carry with him not only his academic abilities but also his commitment to making important contributions both within and outside of the school.

I strongly believe Mr. Samim Mansuri would be a valuable addition to your esteemed institution. Your assistance in providing financial aid would help bring out a significant difference to his life and future ahead.

Sincerely

*Hare*
