14.2. In case of any ambiguity, anomaly, borderline cases of failure, or for ensuring near uniformity of evaluation standards, the grades so awarded by the course instructor may be examined by a Grade Moderation Committee, constituted by the Dean of concerned school with approval of the Vice Chancellor and suitably moderated if required. The committee shall record specific reasons for moderation in each such case.

14.3. 'P' Grade: Grade **P** (grade point 4) shall be the course-passing grade, unless specified otherwise by the Syllabi and Scheme of Examination for the programme. For grade(s) below the passing grade as defined above and in the Syllabi and Scheme of Examination, the associated grade points shall be zero.

14.4. 'F' Grade

- a. The 'F' grade denotes 'fail' grade performance in the course as a whole and shall amount to failing in a course. 'F' grade is awarded in case of a student scoring strictly less than 35% marks in total (CIA and EoSE) or scoring less than 35% marks in the EoSE only. In case of 'Professional Programmes', 'F' grade is awarded in case of a student scoring strictly less than 45% marks in total (CIA and EoSE) or scoring less than 45% marks in the EoSE only.
- b. A student has to repeat the EoSE of all core / compulsory courses in which he/she obtains 'F' grade. In elective courses in which 'F' grade is obtained, a student may take the same course or take any other course in lieu of that course from the same category or as approved by the BoS. The student may choose to repeat the CIA also if permitted by the course instructor or may retain the marks awarded in the CIA in the first attempt.
- c. The 'F' grade secured in any course stay permanently on the grade card. The weightage of these grades is not taken into consideration in the calculation of the Cumulative Grade Point Average (CGPA).

14.5. 'Ab' and 'Dt' Grade

- a. 'Ab' grade is awarded to a student who is eligible to appear in the EoSE but remains absent due to any reason whatsoever and has not applied for grade 'I'. In such cases, he/she shall be required to repeat the EoSE at the next available opportunity.
- b. If a student is not permitted to appear at the EoSE because of shortage of attendance and/or not completing the requirement of appearing in any component of the continuous internal assessment, 'Dt' grade will be awarded with a mention to this effect in the remark column on the grade sheet. If such course is a core/compulsory course, the student will have to repeat the entire course again at the next available opportunity including fulfilling the requirements of the attendance, the CIA component and the EoSE. If such course is discontinued or modified, the student will take an alternative equivalent course as approved by BoS and permitted by the HoD. In case of electives or open choice courses, the student may choose an alternate elective / equivalent course as may be approved by the HoD.

Note: HoDs must develop timetable at least for the core / compulsory courses keeping in view the 'repeaters'.

14.6. AU Grade

- a. 'AU' grade is awarded to an 'audit course' if the student successfully completes the requirement of passing the course. This is not counted in the computation of SGPA/CGPA/FGPA.

14.7. 'I' Grade

- a. This refers to an 'incomplete' grade, which is required to be converted into a regular letter grade.
- b. If a student is absent during EoSE of a course due to medical or some other reason of compelling nature or any other special circumstances, he/she may apply for the award of 'I' grade to the Head of the department (offering the course), through the Course instructor, provided that he/she has attended 75% of the classes held for the course. The Head of the department may grant 'I' grade on his/her request with required intimation to the office of CoE. 'I' grade may be converted to proper letter grade not exceeding 'B' (maximum 60% marks). The HoD in consultation with the Dean of the School may hold the 'make-up exam' to convert the I grade, normally within 10 days of the last day of the schedule of the end of semester examinations. Under special circumstances, if a student is unable to be present in the university for taking the 'make-up' examination during this ten-day period, the Head of the department with permission of the Dean of School may schedule the 'make-up exam' to convert the I grade within seven working days of the start of the next semester. In such cases, the HoD will declare the results and submit them to the office of CoE through the Dean within five working days after the completion of the last make-up exam.
- c. In case of failure of a student to appear in the scheduled make-up exam, the 'I' Grade shall automatically be converted to "F" grade.

14.8. 'W' Grade

This refers to the withdrawal from a course as per following provisions:

- a. A student who wants to withdraw from a course shall apply, through the Head of the department, to the Dean of school on a prescribed form within one week from the end of the first IA test if advised by his/her Course instructor / Course coordinator and the student advisor. If his/her request for withdrawal is granted, it will be noted down in the registration record of the student and the concerned course instructor / course coordinator will be informed about the same. Such a student shall be awarded a withdrawal (W) grade at the end of the semester.
- b. The student will either repeat the course(s) allocated 'W' grade in case of core courses or choose an alternative equivalent course as may be approved by the HoD.

14.9. 'X' Grade

- a. This grade is awarded for semester-long design thesis / dissertation / project-work / field-work / industry internship etc. when the student is unable to complete his/her work as required for fulfillment of the requirement of the course.
- b. The 'X' grade will be awarded on recommendations of the industry supervisor/ academic guide and the HoD in following situations:
 - b(i) When the student is not able to make the submittals due to medical grounds or any other exigencies or unavoidable personal circumstances beyond the control of the student; and
 - b(ii) In case the panel of evaluators as approved by the Vice Chancellor find the work output presented before the panel to be:
 - i. insufficient / incomplete or
 - ii. not as per format prescribed by the BoS / School Board or
 - iii. lacking in quality as per University standards.
- c. In case the student is awarded an 'X' grade the student concerned shall have to present his/her work again for evaluation within four weeks or as per the time prescribed by the 'jury' / panel of evaluators.
- d. 'X' grade will be converted to regular letter grade based on the evaluation by the 'jury' / panel of evaluators. The 'X' Grade will be automatically converted to 'F' grade in case of failure of the candidate to be available for the evaluation as per prescribed schedule. Only one opportunity will be available to the candidate to convert the 'X' grade to a passing grade or not exceeding Letter Grade 'B' (maximum 60% marks).
- e. Fee as prescribed by the University for the course will be payable by the student in case 'X' grade is awarded to him/her before the next evaluation.

14.10. Computation of Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)

- a. The SGPA is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e.

$$SGPA (S_i) = \frac{\sum(C_i \times G_i)}{\sum C_i}$$

Where C_i is the number of credits of the i^{th} course and G_i is the grade point scored by the student in the i^{th} course.

- b. The CGPA is also calculated in the same manner taking into account all the course undergone by a student over all the semesters of a programme, i.e.

$$CGPA = \frac{\sum(C_i \times S_i)}{\sum C_i}$$

Where S_i is the SGPA of the i^{th} semester and C_i is the total number of credits in that semester.

- c. The SGPA and CGPA shall be rounded off to 2 decimal points and reported in the grade sheets and the transcripts. However, for the purpose of merit list and identifying the topper there will be no rounding off.

Illustration of computation of SGPA

Course	Credit	Grade letter	Grade point	Credit Point (credit x Grade)
Course 1	3	A	8	3 x 8 = 24
Course 2	4	B+	7	4 x 7 = 28
Course 3	3	B	6	3 x 6 = 18
Course 4	3	O	10	3 x 10 = 30
Course 5	3	C	5	3 x 5 = 15
Course 6	4	B	6	4 x 6 = 24
	20			139

Thus, SGPA = $139/20 = 6.95$

Illustration of computation of CGPA

Semester 1	Semester 2	Semester 3	Semester 4	Semester 5	Semester 6
Credit:20	Credit:22	Credit:25	Credit:26	Credit:26	Credit:25
SGPA:6.9	SGPA:7.8	SGPA:5.6	SGPA:6.0	SGPA:6.3	SGPA:8.0

Thus, CGPA = $(20 \times 6.9 + 22 \times 7.8 + 25 \times 5.6 + 26 \times 6.0 + 26 \times 6.3 + 25 \times 8.0) / 144 = 6.73$

- 14.11.** The Final Grade Point Average obtained by a student shall be classified into following divisions:

FGPA	Division	Division for 'Professional Programmes'
10	Outstanding	Outstanding
9 and above, but less than 10	First Division with Distinction	First Division with Distinction
8 and above, but less than 9	High First Division	High First Division
7 and above, but less than 8	First Division	First Division
6 and above, but less than 7	High Second Division	Second Division
5 and above, but less than 6	Second Division	Pass
4 and above, but less than 5	Pass	Not Applicable

- a.** Outstanding Performance shall be awarded, if and only if, every course of the programme offered to the student is passed in the first chance of appearing in the paper that is offered to the student. A student with any semester break or 'I' grade shall not be awarded the Outstanding performance.
- 14.12.** The FGPA or CGPA multiplied by 10 shall be deemed equivalent to percentage of marks obtained by the student for the purpose of equivalence to percentage of marks.
- 14.13.** In case of any difficulty, regarding the award of grades or working out SGPA or CGPA or FGPA, the decision of the Vice-Chancellor shall be final.

15. Progression and Promotion

15.1. All students admitted to an Odd Semester shall be eligible for promotion to the next Even Semester of the programme. To be eligible for promotion from an Even Semester to the next Odd Semester of the programme, a student shall be required to successfully complete at least 70% of total credits allotted to all the courses registered by him/her so far excluding the audit courses. Student who is not allowed for semester registration shall be treated as External Student for that particular semester and is not allowed to register for a semester where none of his/her backlog paper is offered.

15.2 Students who are not promoted to next semester of the programme may be allowed to register for backlog course(s) in the concerned semester during next academic year. Such students must apply for registration of course(s) before the commencement of classes during the concerned semester.

Example: If the candidate who has registered for 40 credits at the end of the even semester and has cleared courses equivalent to 28 credits may be promoted to the next semester of the programme. However incase the percentage of registered credits is fractional it shall be rounded off to the lower number. As an example if the total credit registered in the four semesters are 72; 70% of which is 50.4 that can be rounded off to 50. Therefore, a candidate clearing courses equivalent to 50 credits at the end of the even semester may be promoted to the next semester of the programme.

16. Grade Improvement

16.1. Students securing Letter Grade 'C' in other than Professional Programmes and Letter Grade 'P' in Professional Programmes in the theory course(s) of a semester may be allowed to improve their marks in such courses by repeating the EoSE subject to the restriction of number of courses as specified in the later sub- clause. Opportunity for appearing in the exam for grade improvement for a course will be allowed only once. No further chance will be given under any circumstances.

16.2. The facility for improvement shall be open to all those who want to improve their grade irrespective of the SGPA / CGPA obtained by them if he/she has cleared all courses of a particular semester in which the student intends to take an improvement examination.

16.3. The student shall make application for improvement examination to the concerned Head of the Department with a copy to the Dean of the School in the prescribed form along with the prescribed examination fee within seven working days of the commencement of the next semester.

16.4. The improvement can be made only by appearing in the EoSE and not the CIA. Appearance at an examination for improvement should take place immediately on the next opportunity available.

16.5. For determining the final CGPA / FGPA / Division, the better of the two performances in the examinations will be taken into consideration.

- 16.6.** For the purpose of award of medals, prizes, and rank, etc., the grades obtained by a student in the examination taken for improvement shall not be taken into account.
- 16.7.** The grade sheet of a student will indicate full information of the examinations taken by him/her. Both the Grades obtained in the 1st and 2nd attempts will be shown in the grade sheets.
- 16.8.** Students can avail the facility of improvement examinations in two courses per semester subject to maximum number of courses for improvement to be equal to the number of semesters assigned to a programme. *For example in case of an integrated programme of ten semesters, the student can avail the facility of grade improvement in maximum of ten courses all through the Programme.*
- 16.9.** Students, who have completed the course without availing themselves of the improvement facility even once, may be allowed to avail themselves of the un-availed improvement chances for maximum of four courses in the programme within a maximum period of one academic year after completion of the programme. Students must make application for this to the HoD within seven working days of declaration of the results of the final semester's examination. Improvement exams for such cases shall be taken when the regular or special exams are held.
- 16.10.** The student of final semester who are registered for improvement exams shall be considered as external student and shall not be eligible for any hostel accommodation. He/she shall not have right to claim any facilities or opportunities as entitled to a regular student of the University.
- 16.11.** Grade Improvement is not permissible for dissertation / laboratory / project / field / internship courses etc.

17. Special End of Semester Exam

- 17.1.** If a student of the final semester gets 'F' grade in not more than total of 2 courses in the final two semesters of his/her Programme of Study and has no backlog in earlier semesters, the University may make arrangement to hold Special End of Semester Examination only for such courses within one month of beginning of the new semester. For Integrated Studies, this clause is applicable only if the student opts for Exit option or in the final year. The grade for this course in Special End of Semester Examination cannot be more than Letter Grade B.
- 17.2.** Those students having 'F' Letter Grade with condition of 'repeat of entire courses' is not allowed for special EoSE.
- 17.3.** This facility is not available to students having any backlog due to 'Dt' grade. This facility is also not available to students of various programmes who will be continuing their programme of studies in the next semester.
- 17.4.** This facility is not available to student having any disciplinary cases against him/her.

The grade acquired later by the student will be indicated in the grade sheet of the subsequent semester in which the candidate has appeared for clearance of the back-log of courses.

18.4. Duplicate Grade sheet or other certificates may be issued by the CoE on application of the student with the prescribed fee.

18.5. CoE may make corrections in the Grade Sheet / Transcript with regard to any computational mistakes or typographical errors like spellings of the names, course codes, name of courses, dates, etc. Grade Sheet / Transcript with new serial number will be issued in such cases while cancelling the grade sheet issued earlier. The new grade sheet so issued shall carry a note briefly mentioning the corrections made and the serial number of cancelled grade sheet.

18.6. In case the corrections are related to any change from the earlier notified results, the CoE shall obtain approval of the Vice Chancellor before issue of new Grade Sheets / Transcripts.

18.7. CoE shall issue a consolidated Transcript indicating performance in all semester on application of the student along with the payment of prescribed fee.
