6. Study interest

Please write a few sentences why do you want to study in Slovenia?

Slovenia has a multicultural and well-established academic system which ranks as one of the best in whole Europe. Apart from this they also offer extensive training and research and development for certain programs. Maribor, the administrative center of Slovenian Styria region also accommodates more than hundreds of international students. This proves the fostering capability of the city. Slovenia offers opportunities to study cross-major subjects. Slovenian universities have a flexible and interdisciplinary approach to education, allowing students to combine different fields of study. It is located in central Europe making it ideal for students who want to explore Europe during their studies. It ranks highly on global safety indexes. English is widely spoken, especially among younger generations and in academic settings, which helps international students adapt more easily.

Please write a few sentences why do you want to study at University of Maribor?

The University of Maribor, the second-largest university in Slovenia, is known for its high academic standards and comprehensive range of programs. The Faculty of Economics and Business at the University of Maribor (FEB) is particularly notable for its strong emphasis on both theoretical and practical knowledge in the field of economics and business. FEB is accredited by the AACSB (Association to Advance Collegiate Schools of Business), which places it among the top business schools' whole across Europe. The Masters in Economics and Business management from this university allows me to apply my theoretical in -depth research into addressing complex business challenges. The university allows me to choose two modules- Business Management and Management and Governance in health care. Business management module will grant me with an understanding in the business models and several hurdles faced by corporations in the respective field. On the other hand, the Management and Governance in Health Care gives an understanding about the crucial sector of the economy along with how to develop, improve and manage the health care organizations.
