LETTER OF RECOMMENDATION

I take immense pleasure in recommending Mr. Rohan Thomas Nixon to take up higher studies.

As the teacher

I have an opportunity to interact with him closely. I know him for the past years. His performance in this school is laudable.

Rohan is a very keen, hardworking and attentive student with an excellent grasp over the fundamentals of the subject and eager to learn new topics and explore new frontiers of subjects.

He has managed to maintain an excellent academic record through the year of higher secondary studies (2017-2019)

His versatility and gift of conceptualization impels me to strongly recommend him for admission to the university and hope that you will carefully consider his application for admission

I wish him all success in his future endeavors
