LETTER OF RECOMMENDATION

Dor Huzef A, lecturer of Commerce, knows **KESHWALA RAJ MERUBHAI** as a B. COM. student of our college with English subject in the academic year (2019-20 TO 2022-23).

From my personal interaction with **KESHWALA RAJ MERUBHAI**, I can definitely say that he was a sincere and diligent student with an optimistic ideology. He was very regular with his assignments and other academic activities. The qualities and virtues which he possesses are quick grasping power, logical approach, and adaptability. He has actively participated in classroom discussions, and his discussions revealed his meticulousness and knowledge about the emerging trends in his field.

I feel very confident that he will be successful in all his future endeavors. He is a focused and determined student of my college. I have taught him and would strongly recommend him for the course which he applies for. I wish all the best for his future.
