LETTER OF RECOMMENDATION

It is a great pleasure to recommend SARAH JEENU (Register Number: 9063091) studied in this school during the academic year 2020-2022 in science stream for higher studies abroad. She is a highly motivated individual who is curious and always enthusiastic about learning something new. I observed that she has a sense of commitment while completing the task given to her with good confidence and make sure to meet her deadlines. I confidently state that SARAH JEENU is an independent, active student who is constant in pursuit of new and innovation challenges. I encourage you to look favourably upon her application.
