To,

LETTER OF RECOMMENDATION

To whom so ever it may concern

Sub: Reference letter for Higher studies

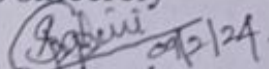

I am glad to write a recommendation letter for **Vishnu P Ramesh** with register number **9194350** who is in pursuit for higher educational qualification. I had the pleasure of having him in my class during the academic year 2020-2022. As a class teacher I have been able to watch him grow into an excellent English student also.

As an English student in my class, I love the fact that he had actively done the class discussions well. He was able to develop excellent communication skills as shown during his class presentations. He submitted creative and thought provoking assignments as well. His writing and editing skills were also good. I have noticed how well he expressed his ideas during our class time.

He also coordinated the class well and has high peer communication. He works hard to get high score in his exams. Overall, Vishnu P Ramesh is a brilliant and creative student and also he has high passion in learning.

I wish him a bright future.

Yours sincerely
