## LETTER OF RECOMMENDATION

It is a great pleasure to recommend Hari Ramachandran (Register Number: 23139837) studied in this school during the academic year 2022-2024 in Science Stream for higher studies abroad. He is a highly motivated individual who is curious and always enthusiastic about learning something new. I observed that he has a sense of commitment while completing the task given to him with good confidence and make sure to meet his deadlines. I confidently state that HARI RAMACHANDRAN is an independent, active student who is constant in pursuit of new and Innovation challenges. I encourage you to look favourably upon his application.
