## LETTER OF RECOMMENDATION

It gives me great pleasure in recommending one of my outstanding student **Mr. S. HARI KISHORE** for his Master's Degree at your esteemed university. I have known him from 2016 onwards. The medium of instruction was in English.

He was a student very eager to gain knowledge not just by reading books but also through discussions beyond the scope the subject. This makes him eligible student to pursue his Master's Degree. It is also worth to mention his level of confidence and diligence that he demonstrated in my class was extraordinary. His presentations in my class were always well prepared and well spoken.

He was good understanding of the basic principles and has the ability to apply them effectively to tackle intricacies of any multi-faceted concepts. His temperament is that he is always calm and his etiquette, which shows his maturity level, makes him stand out, he always been a convincing person bearing good character, conduct and has been popular with faculty and his peer group.

With utmost confidence in his ability. I strongly recommend, **Mr. S. HARI KISHORE**, Master's Degree in your renowned university. I wish him all the best in his future endeavors.
