I am pleased write the following lines about **Mr. Murtaza Atayi**, who I know for last three years as one of my good student in Bachelor of Business Administration (B.B.A.)

He is an intelligent, enthusiastic, and compassionate student. His grades have been consistently good and excellent all the three years of the course. He is an ICCR scholarship recipient and is admitted to the said course as ICCR scholar.

He is a very personable, motivated, intelligent student who has the ability to succeed in college with some guidance in learning to use his abilities more productively. As a student , he has proven to be trustworthy, honest, and to succeed, he is determined to work hard and persevere even if it means, as it always does, overcoming obstacles in his path.

Without any hesitation I recommend for further higher studies and suitable career opportunities

Wishing him all the very best.
