RECOMMENDATION LETTER

28 March 2024

To Whom It May Concern,

It is with great honor that I compose this letter of recommendation for **PRINCESS AMIAH GWYNETH V. ROSETE** (Amiah), who has been a **student at United International Private School LLC from Grade 7 through Grade 9, spanning the years 2018 to 2021**. I write in support of her **application to your prestigious university's MBBS (Bachelor of Medicine, Bachelor of Surgery) program**.

Over the period of her enrollment in our school, Amiah has demonstrated herself as an outstanding student, maintaining a high academic performance in all her classes. Her commitment to her studies is admirable, and she has consistently demonstrated a deep curiosity and talent for sciences, which is an ideal match for her chosen career path in medicine.

Alongside her academic excellence, Amiah also has been actively involved in the school activities, which have exposed her to leadership potentials and a high sense of initiative. She has been an active leader in several clubs and organizations, and her dedication has led to a great deal of the school's development. Her leadership has also reached beyond our school campus, as she has represented our school with excellence in external competitions, thus showcasing her abilities and devotion on a bigger arena.

Similarly, it is important to emphasize that alongside her academic and extracurricular engagements, Amiah is a passionate enthusiast of both sports and music. This also helps to showcase her multi-faceted nature and ability to excel in different areas. The way she enjoys these activities is the representation of her effort in keeping a balanced life, a quality that will aid her in achieving her goals.

And, among all the good things about Amiah, her genuine willingness to reach out to her peers and provide service to the community is a stand-out. Her ability to get things done and show love, warmth, and compassion is always evident, making a difference, and improving wherever she goes. Her innate compassion and her hard-working spirit differentiate her from others, making her a valuable member of any society she joins.

Hence, I am confident that Amiah's qualities are perfectly suited to your university's MBBS course. Her academic record, leadership potential, and service experience put her in the rank alongside the best candidates for this admissions program. I sincerely endorse her without any reservations and believe that she will serve the education institution with the highest diligence and quality possible.

Thank you for considering Amiah's application. Please do not hesitate to contact me if you require further information.
