

ENTERPRISE APPLICATIONS P. LTD

## LETTER OF RECOMMENDATION

This is to certify that Mr. Thota Naga Durga Bhavani Prasad (RIGAPS343) has been working with Rig Enterprise Applications Pvt. Ltd. He has been designated as Software Engineer.

It is with great pleasure that I write this letter of recommendation for Mr. Thota Naga Durga Bhavani Prasad. He has consistently demonstrated exceptional skills and professionalism during his tenure with us.

Having joined our team with a solid foundation in HTML, JavaScript, VueJs, and React, prasad quickly became an integral part of our projects. His expertise in these technologies greatly contributed to the success of our initiatives, showcasing not only technical proficiency but also a keen understanding of industry best practices.

One of Prasad's notable achievements during his time here was the acquisition of in-depth knowledge in Asp.net. His commitment to continuous learning and adaptability allowed him to master the intricacies of this technology, enhancing our team's capabilities and overall project outcomes.

Beyond technical expertise, Prasad is recognized for his commendable conduct and professional communication skills. His ability to collaborate effectively with team members and stakeholders has significantly elevated the work environment, fostering a positive and productive atmosphere.

I am confident that Prasad possesses the skills, dedication, and professionalism necessary to excel in their pursuit of further education. I wholeheartedly recommend Prasad for the study visa abroad, believing that their contribution to any academic program will be marked by the same excellence we have witnessed during his time with us.

Please feel free to contact me if you require any additional information.

Sincerely,

*Srikanth Boundugula*
