Hello,

Your request has indeed been granted and your academic leave has officially begun. You are on academic leave **until 2024-08-31**. Your current Study Agreement is not cancelled because of academic leave, therefore, you will not need to sign a new agreement or receive any new offers from the University. All you will need to do to continue your studies next year is to fill out a REQUEST TO RESUME STUDIES at the eStudent system (<https://is.vu.lt/vuis/>) in August, no later than two weeks before the end of the academic leave. For now, you don't need to do anything regarding your studies.

As for the TRP, you need to apply at least 3 months before your academic leave ends, to make sure that you will get it in time and arrive to Lithuania for your studies. You will have to contact Diana Makevičienė for the mediation letter then.

I hope this answers your questions.

Best regards,

**Subject:** need information after granting academic leave

Hello, madam. My request for academic leave has been granted. So I'd like to know what happens next and how to get there because I submitted my document but did not receive my VFS date, which is why I took academic leave. As I understand it, I will receive an unconditional offer letter for next year as well as a new meditation letter if the procedure is followed. Is this not a procedure? Please guide me to the procedure. I look forward to hearing from you soon. Thank you.
