LETTER OF RECOMMENDATION

I take immense pleasure in recommending Mr.Libin Linson to take up higher studies. As the Class Teacher I had an opportunity to interact with him closely. I know him for the past two years. His performance in this school is laudable.

Mr.Libin Linson is a very keen, hardworking and attentive student with an excellent grasp over the fundamentals of the subject and eager to learn new topics and explore new frontier of subjects.

He has managed to maintain an excellent academic record through the year of his higher secondary studies (2016-2018).

His versatility and gift of conceptualization impels me to strongly recommend him for the admission to your university and hope that you will carefully consider his application for admission

I wish him all success in his future endeavors
