Letter of Recommendation

TO WHOMSOEVER IT MAY CONCERN

I am very much pleased to recommend **KAVYALAKSHMI T S** as a prospective student for the under graduate programme in your university. I have known her as a higher secondary student in this school (2022-2024) and I had opportunities to observe her in close quarters as her instructor for the course pure science.

KAVYALAKSHMI T S is quite ambitious and career driven. She works hard to achieve her goals and committed to her work. She has very interactive in student with self-reliance and good levels of self-confidence.

KAVYALAKSHMI T S understands the subject and quest for knowledge constantly impressed me. She has repeatedly proved her conceptual ability and creative outlook in the classroom discussions with notable problems solving methods.

I wish her all the success for the future endeavours.
