CERTIFICATE OF LANGUAGE PROFICIENCY

Budapest, 26 April 2024

This is to certify that **Basil Shibu**, (born: 19 August 1995) has completed all academic requirements for the award of “Bachelor of Science (Honours) in Business Management” (taught in English). The programme is run by International Business School (Budapest) in co-operation with the University of Buckingham. The date of completion is 20 February 2024. He has been awarded a “Bachelor of Science (Honours) in Business Management” degree issued by the University of Buckingham as well as a Hungarian degree with the same title issued by International Business School with a degree classification of Second Class, Lower Division (55%).

In order to be admitted to our English-speaking programme the student had to pass our English language test. Having studied and passed exams in English during the programme the student has proved his linguistic skills beyond doubt. We confirm that students are taught and examined in English for their entire degree.

The degree awarded for studies completed in higher education in English certifies written and oral competence in English at CEFR C1 level according to Hungarian legal regulations (Gov. Decree 137/2008, § 14 section 6.)
