LETTER OF RECOMMENDATION

I am writing this reference letter in support of Sadia Begum D/O Guljar Khan R/O Dulwan, District-Malerkotla, State-Punjab who has been student of 12<sup>th</sup> during session year 2021-22. I know Balvinder Kaur as his teacher for over one year. Her medium of instruction was Punjabi. She is attentive studious and always possesses attitude towards academics. As a person she is always ready to take up her duties with immense dedication. Throughout her course of study, she was an active participant in classroom discussion and she always supported her peers. She is creative and original thinker.

I have deep personal and professional regards for her and sincerely believe that she will bring her unique energy, optimism, passion and tireless creativity for academics. She has my endorsement for admission for the desired course at your university. If you have any questions about this recommendation, please do not hesitate to contact me. May she wish success in her life.
