You have been accepted to higher education to

Degree Programme in Information and Communication Technology at Karelia University of Applied Sciences, Finland

Study programme: Bachelor of Engineering (Information and Communication Technology), full-time studies, programme is taught in English

Level of qualification: Bachelor's degree

Planned duration: 4 years | 240 ECTS credits, 19 August 2024 – 31 May 2028

Studies begin: 19 August 2024 with the orientation. Online studies are available until 31 December 2024.

Confirm the study place electronically through the link in your email notification. **NB!** You may accept only one study place leading to a higher education degree in Finland that begins in the same academic term (Autumn 2024) **Further information please click the link.**

You need to **accept the study place within 7 days from the offer** or you will lose your place.

Accepting a study place is a binding choice, and you cannot cancel or change your choice later. When you accept a study place bindingly, all your other study programmes will automatically be cancelled. **Instructions** on accepting the study place, registration and providing copies of school certificates can be found from our website.

Student selection is **conditional** until your general eligibility for UAS' studies has been verified, tuition fee payment has arrived and the copies of the certificates and the original certificates have been verified.

- **Grade 12 students who graduate after** the application period in spring 2024, please, check the schedule for submitting and verifying the certificates: **Rolling admission II / Required degree certificates**
- Certificates of **applicant's who have already graduated** will be checked when studies begin

Tuition fee & Early bird-priced tuition fee

Karelia's **tuition fee** is 10 000 euros per academic year. The tuition fee will be collected upon receipt of the study place, before registering as present for the academic year.

Karelia UAS offers Early bird-priced tuition fee for first-year students. **Early bird -priced tuition fee means that student gets 10% discount** of the full tuition fee payment in the first academic year. **Early bird-price is valid**, when applicant accepts the offered study place at Karelia UAS and pays the tuition fee (9 000 €) **within 14 days from the offer.**

If you don't meet conditions of the Early bird-priced tuition fee, you need to pay the whole academic year's fee. More information about the tuition fee can be found enclosed **Tuition fee instructions** and **Karelia / Tuition fees.**

Welcome to study!
