**Sub: Recommendation Letter**

At the request of Ms.Aaliya Sajeed.A, I am pleased to write this letter of Recommendation in support of her application for admission to graduate study at your University. I am a Senior Faculty from the University of Mysore Specialised in the Constitutional Law. I have undergone more than 30 years of teaching in various subjects at different Law Schools and Colleges in the State of Karnataka, India.

I met Aaliya Sajeed.A in the month of August 2019 at Ramaiah Institute of Legal Studies after my appointment as a fulltime Faculty. I started engaging her class with Criminal Procedure Code 1973. In her class there were about 28 students and I found three students as most attentive they are Aaliya Sajeed.A, Syed Suhail Ahammed and Bhavan Iyer. Aaliya Sajeed.A was a student of understanding the subject she was asking the questions openly, whenever she had the doubts on the topic. She was dignified in asking the question it was making the teacher to respond immediately with a smile. She was very studious, she was doing lots of library works in preparing the assignments. She was promptly presenting the papers in the class and was readily answering the questions paused by fellow classmates.

Covid-19 has played a role in the studies, in spite of it she cleared the Five Year LLB course and got the Certificates.

She is interested in pursuing higher education, she is a good charactered personality, she is a true human being, and she needs encouragement. She will be successful with bringing good name and fame to the University, to the College and to her Family.

I hereby request your goodself to provide an opportunity to Aaliya Sajeed.A, to pursue her studies in your esteemed University

**Thanking You,**  
**Yours Sincerely,**
