From,

Manager / Principal Letter of Recommendation

To,

I am very pleased to recommend Mebin Biju as a prospective student for the graduate programme in your university. I have known him as a Vocational Higher Secondary student in this school (2018-2021) and I had opportunities to observe him in close quarters as his instructor for the course.

Mebin Biju is quite ambitious, and career driven, he works hard to achieve his goals and is committed to his work. He was very interactive in the classes and endorses the discussion with cogency and natural ease. He is a student with self reliance and good levels of self-confidence.

Mebin Biju's understanding of the subject and quest for knowledge constantly impressed me. He has repeatedly proved his conceptual ability and creative outlook in the classroom discussions with notable problem-solving methods.

I wish him all the success for the future endeavors.
