LETTER OF RECOMMENDATION

I am very much pleased to recommend SHARATH LAL E, as a prospective student for the under graduate programme in your university. I have known him as a higher secondary student in this school during the academic year 2014-2016 (Register number 3357825) and I had opportunities to observe him.

SHARATH LAL E is quite ambitious and career driven. He works hard to achieve his goals and committed to his work. He was very interactive student with self-reliance and good levels of self-confidence.

SHARATH LAL E understands the subject and quest for knowledge constantly impressed me. He has repeatedly proved his conceptual ability and creative outlook in the classroom discussions with notable problems solving methods.

I wish him all the success for the future endeavours.
