LETTER OF RECOMMENDATION

I am pleased to be writing this letter of recommendation on behalf of Mr. Jaskirat Singh, whom I taught English subject at Mussoorie International Public School Fatehpur Rajputan, Amritsar for a year, i.e. 2022-2023. I would say that he was among the most erudite student in my class in that period as he always used to give prompt answer during Q & A session after I have lectured on any topic of English subject and her zeal to extent knowledge beyond the classroom study was also visible as he often asked me about the latest developments taking place in around the world during my classes.

His dedication towards English subject was awarded with good marks as he got 79% marks in English subject in his Senior Secondary studies or class 10+2. Even, he is a very disciplined & punctual student who never missed his class room study and was always on time in his classes. His helpful & social nature is also the things that impressed me as he always eagerly helped his peers or classmates in understanding the subject, which was his most favourite subject in school. His studious nature & positive approach to life is what will make him excel in future study he is opting to make a bright & prospering career for himself.

I would say he would be a wonderful asset for your institution and I wish him all the best for the future endeavours.

If at any time you need any further info regarding the student, please feel free to contact me.

Sincerely,
