## LETTER OF RECOMMENDATION from the class teacher

### To Whom It May Concern

Certified that Mr.SIDHARTHA.G S/O Mr.B.GIRISH KUMAR ,Nandanam, Panayil PO,Noorand, Alappuzha was a regular student of this school in the higher secondary Computer Science batch and passed Plus two examination, on March/2019 with Register no.6103807.

It is my great pleasure to recommend Mr.Sidhartha.G, who is eager to be part of our institution for the plus two courses. For more than 2 years I have known him as a knowledgeable student, who always aims for excellence by passion and attentiveness, which is evident in his academic success and strength for other curricular and non-curricular activities. Few students are gifted with the ability and intention of developing a new future and cherishing their aura of awareness. Mr.Sidhartha.G, is certainly one such student, so I cannot refuse his a letter of recommendation.

I wish his success in all his endeavors and a brilliant career. I strongly recommend him for admission to graduation course any where abroad.
