LETTER OF RECOMMENDATION

With immense pleasure, I am writing this recommendation letter in support of Mrs. SHAIK DILSHAD BEGUM who is applying to the Bachelors programme at your esteemed University. I taught her in intermediate from the past two years for the subjects related to English. Assessing her during these courses, I found her very attentive, studious and hard working towards academics.

Throughout these courses, Mrs. Shaik Dilshad Begum has shown great interest in the subject as well as in applications oriented problems. she always used to have a discussion and would always confidently talk about her aspirations towards higher education. Beside this she has also gained conceptual knowledge focused on basics along with higher order thinking. Academic competency of Mrs. SHAIK DILSHAD BEGUM could be judged through grade sheets. Each year I come across many students, but Mrs. SHAIK DILSHAD BEGUM analytical ability and effortless assimilation gives her a clear edge over her classmates. I strongly recommend her to be given an opportunity at your prestigious university.

Mrs. SHAIK DILSHAD BEGUM has always impressed me with her emotional quotient, great skill, and dedication to her work. I'm sure you will find her to be a student whose talents and skills will only shine further through your bachelor's program.
