Recommendation Letter

It's my great pleasure to recommend Dr. Shaher MUSAAD Alsharari ID No: 1092390705 for a position in your prestigious program.

Dr. Shaher MUSAAD Alsharari was my undergraduate student and as an intern trainee 8th batch 2023-2024 in College of Dentistry, Jouf University, Saudi Arabia and ranks among my first rate students.

During his Bachelor periods he was never late and never missed any of his sessions. He was also marked as a cooperative, discipline and reliable person. During his internship he has proved himself to be a hardworking clinically skilled student and a good leader. He has a very pleasant personality, respected and admired by among the dental faculties in the College and he attended to all patients with responsibilities and professional manner.

He has been actively involved in the assessment and management of simple and complicated cases of oral & maxillofacial surgery under my supervision at our institute. During his work, he had high manual skill associated with continuous reading of external resources. He also been assigned for university staff member clinics and show professional behavior depending on his solid knowledge, with good attitude toward the patients and workers.

I wish him success in his efforts to widen his knowledge base.

Dr. Mohammed Saad AlQarni
Assistant Professor of Oral & maxillofacial surgery
College of Dentistry, Jouf University, KSA
