TO WHOMSOEVER IT MAY CONCERN

I am Muhammad Safeer, glad to get this opportunity to recommend Muhammad Aneeq Ali, for admission to pursue undergraduate program. I know Aneeq from past two years as FSC Student at Cambridge International Science College for Boys Talagang, Punjab Province, Pakistan. He has always been noted as an enthusiastic learner and a well-disciplined student.

Aneeq's academic and non-academic accomplishments are a reflection of his traits like generosity and loyalty. He is well loved by his peers as well as all those who had the pleasure of teaching him. His caring nature and personality allowed him to work well with others in a team, as he always respects others opinion.

Aneeq is a hardworking student with strong passion and dedication for all subjects. I have always perceived in him an inquisitive mind and eagerness to learn more.

I am certain that Aneeq would make an excellent candidate for the undergraduate admission in your institution and I highly recommend him for the same,

Principal
