## LETTER OF RECOMMENDATION

With immense pleasure, I am writing this reference letter in support of **Ms. Junemary Josy**, who is applying to the higher degree course/position at your esteemed Institution. I have known **Ms. Junemary Josy** as her teacher for three years (2017-2020) and as a teaching colleague for nearly two years. Through my observation, I would like to say that she is attentive and studious and possesses a positive attitude towards academics and her profession. She is familiar with most of the biochemical techniques, and very skilled in conducting biochemistry experiments. She is an excellent teacher who conducts teaching and research in a proficient manner.

Throughout the duration, **Ms. Junemary Josy** has shown great interest in practical aided learning and biochemical and fisheries related techniques. As a person who is always ready to take up responsibility, she carries out her studies and duties with immense dedication. Throughout the duration, **Ms. Junemary Josy** was an active participant in our discussions, and she always supported her classmates and colleagues. I am certain that **Ms. Junemary Josy** is going to continue to do great and creative things in future and stand-out as an individual at your institution. I have the deepest personal and professional respect for her, and sincerely believe **Ms. Junemary Josy** will bring her unique energy, optimism, passion, and tireless creativity to your institution as a whole. Therefore, I give her my highest endorsement for admission or placement in her desired field at your institution. If you have any questions regarding this recommendation, please feel free to contact me. I would be happy to assist you.

**Letter of Recommendation**

I am delighted to write this letter to provide my highest possible recommendation for Ms. Junemary Josy as a prospective student for the Master's Programme in your University. I have known her as an M.Sc. student in this University (2020-2022) and had the opportunity to witness her exceptional academic abilities, strong work ethic, and passion in close quarters as her Professor for the course Marine Biology. She holds a robust academic background, maintaining an admirable GPA throughout her postgraduate studies and secured first rank.

In addition to her academic skills, Ms. Junemary Josy acquired extensive knowledge in laboratory procedures and proved to be a proactive and collaborative team member. Moreover, she has consistently demonstrated effective communication skills. She is articulate, persuasive, and adept at presenting ideas verbally and in writing. Her ability to collaborate with peers and engage in meaningful discussions reflects her strong interpersonal skills.

I strongly recommend Ms. Junemary Josy and extend my best wishes for her future endeavours.

**(K. B. Padmakumar)**
