### **This is your admissions notification with the selection results for autumn semester 2024**

#### **Understanding your results**

Admitted – You've been offered a place in the course/programme.

Reserve – You've been placed on a waiting list for the course/programme. The university will contact you if a place should become available.

Deleted – You haven't been offered a place in the course/programme. The following are the most common reasons:

- you were admitted to a programme that you ranked higher and those with a lower ranking have been deleted (you can only be admitted to one master's programme)
- you did not fulfil the entry requirements for the course/programme

#### **Questions**

For questions regarding admission, please visit our Support Centre at [www.universityadmissions.se/en/support-centre/](http://www.universityadmissions.se/en/support-centre/) for contact information.

For questions regarding scholarships that you may have applied for, please contact the organisation or university issuing the scholarship.

For questions regarding your residence permit for studies, please contact the Swedish Migration Agency.

For any further information that you require, please contact the university in question.

#### **Would you like to appeal a decision regarding eligibility?**

You may appeal a decision that you haven't met or been exempted from the entry requirements for a specific course or programme. You may not appeal that you weren't offered a place.

### **Time frame**

The appeal must be in writing and must reach University Admissions in Sweden no later than three weeks from the date you read your admissions results.

### **How to submit your appeal**

There are two ways you can submit your appeal:

- online using the Appeals guide
- in writing using the postal service

### **Appeals guide**

The easiest way to submit your appeal is online using the Appeals guide. Log in to your account, go to 'Documents' and follow the instructions for appeals.

### **Written appeal**

You can also write your own appeal letter. In your letter, include the following information:

- what decision you're appealing
- why you think the decision should be changed
- what change you're requesting
- which university the appeal concerns

Be sure to sign your appeals letter and provide your address, telephone number and email address.

For most universities, you should begin your appeals letter with "**To the Higher Education Appeals Board**", which is the responsible Swedish public authority. However, there are a few exceptions. If your appeal is for Chalmers University of Technology, Marie Cederschiöld University, Stockholm School of Economics, Jönköping University, Swedish Red Cross University, Sophiahemmet University College, Johannelund School of Theology or University College Stockholm, your appeal must begin with "**To the Vice-Chancellor**" as these universities themselves are the decision-making authority for the appeal.

Submit your written appeal by regular post to:

Överklagande/Appeals, PostNord Strålfors AB, Att: University Admissions in Sweden, R 312, SE-190 81 Rosersberg, Sweden.

### **Do you have protected personal data?**

If you have full identity protection, never upload documents to Universityadmissions.se or send anything to the above address. Instead, send your appeal by regular post to: SGA, UHR, Box 4030, 171 04 Solna, Sweden.

### **Response**

First, the university will review your appeal to see if there are grounds to reverse their decision. The university will then forward your appeal to the Higher Education Appeals Board. The decision that the Appeals Board makes is final and cannot be appealed.

#### Information from University/University Colleges

Lund University

Thank you for applying to Lund University

Thank you for your application to Lund University! While the deadline for submitting all supporting documents is February 1, we strongly encourage all applicants to pay the application fee or prove exemption from the application fee and complete their application with the required documents as early as possible. This increases the chances of it being assessed before the deadline, giving you the time to submit additional documents in case something is missing from your application, or your documentation is insufficient.

If any required document is submitted after February 1st, this document will not be considered by Lund University. Please be aware that the documentation deadline applies even if University Admissions has requested more documents from you, shortly before or after the documentation deadline.

Please read all the information about required documents (<https://www.universityadmissions.se/en/apply-to-masters/provide-application-documents-masters/>) carefully. Do not forget to read the country specific instructions (<https://www.universityadmissions.se/en/apply-to-masters/provide-application-documents-masters/country-instructions/>) and what applies to you if you have not yet been awarded your bachelor degree (<https://www.universityadmissions.se/en/apply-to-masters/provide-application-documents-masters/final-year-of-bachelors-studies/>) and how to meet the English requirements (<https://www.universityadmissions.se/en/entry-requirements/english-language-requirements/>).

In addition to the general documents mentioned at University Admissions, some Master's programme requires all applicants to submit programme-specific documents, such as Statement of Purpose. Please check the programme webpage to see what programme-specific documents are required. You will find the programme webpages here (<https://www.lunduniversity.lu.se/lubas/courses-programmes-a-z>).
