## Letter of Recommendation

I am very delighted to write a reference for one our most sincerer and deserving candidate in the institution. In the past 3 years, Ms. Khan Sufiya has always been an out of the box thinker and a curious young fellow. The admiration she has for the study can clearly be seen in her speech and even more so in her work.

**Ms. Khan Sufiya** is a jovial personality who has a knack for experimenting and ability to deliver on promises. She is a smart, bright and motivated person, who has a lot of potential yet to be explored. Moreover, she has always submitted her coursework on time and I have only heard good things about her in the time I have been teaching her.

I believe she will stand up to all the challenges and requirement presented for her and have high regards for her professional life ahead.

Therefore, I whole-heartedly recommend her to your university and wish her all the best for her career ahead.

Regards,

**Head of Department  
Suvadarsini Swain.**
