LETTER OF RECOMMENDATION

It gives me an immense pleasure to recommend my student **Mr. Kandhibedala Ram Prasanna Kumar**, for admittance to the Master Degree Program of your esteemed University. I know Prasanna Kumar for the past five years since he admitted in our deemed to be University. I taught him Semiconductor Physics during his first year of under graduation.

Mr. Prasanna Kumar has successfully completed his Bachelors of Technology in Electronics and Communication with an academic track record of CGPA 8.8. He has done his project in "Pothole detection using Ultrasonic Wave Sensors". He is very much interested to carry out his master degree at your esteemed university. In my observation, Prasanna Kumar is a conceptual and dedicated student with the desires to acquire knowledge in the subjects with good analytical skills. His curiosity, confidence and interest along with his dedication to work and explore new concepts in the academics has led him to pursue his higher studies. He has the capability to complete the tasks, assigned to him in a stipulated time with minimum guidance.

Mr. Prasanna Kumar is keen to learn contemporary techniques and encounter challenges in competitions to improve his technical skills. I often observed him as a sincere student. I feel that his diligence and pragmatic analysis represent his competence towards academic learning. Therefore, I strongly recommend Mr. Prasanna Kumar for his master degree admission at your esteemed University. My best wishes for his higher studies.
