Dear Vamsi Krishna Vidya Sagar,

Huge congratulations on achieving your degree. It is my pleasure to enclose your certificate, along with any transcripts of unit marks relevant to your programme.

Completing a course of study at university is an achievement to be proud of for life. I hope you will always look back fondly on your time at the University of Portsmouth.

I am especially proud of the fortitude Portsmouth's Class of 2020 have shown during the global Covid-19 viral pandemic. The positive qualities of awareness, flexibility and adaptability you have demonstrated are hallmarks of a Portsmouth graduate.

It is a shame that these exceptional circumstances mean we have posted your certificate and not yet presented it to you in person. I hope, however, that you will join your peers and academic staff for your graduation ceremony in May 2021. You will be sent further details of our plans for deferred graduation ceremonies in due course.

As well as being rightly proud of your qualification, I hope you are particularly glad to be a graduate of the University of Portsmouth. You can step boldly into the world, knowing that you have graduated from a globally-focused university that is recognised for the quality of our teaching and student experience, and dedicated to improving lives through research.

I wish you the very best for what is sure to be an exciting future.

With warmest wishes,

Graham Galbraith
Vice-Chancellor
