I am delighted to write this letter of recommendation on behalf of Mr. Vaishak V, student of Nehru Institute of Technology, Coimbatore where he has successfully completed his B.E Mechanical Engineering (Reg No: 721014114091) during the academic years 2014 - 2018. Mr. Vaishak V was a dedicated student, took a demanding course load and has always impressed everyone around with his accomplishment.

Throughout his course of study, he was a student who worked hard and is sincere in accomplishing the duties assigned to him. During the study in course related discussions, he confidently talked about his aspirations towards higher education.

As a person he is pleasant and polite and always ready to take up responsibilities. I am sure that he will showcase an appreciable performance in the future too. Hence, it is my modest request to you to consider the candidate for admission at your university.
