Letter of Recommendation from the Principal

To Whom It May Concern,

I am writing this letter to strongly recommend **Sumit Choudhary**, son of **Sheshkiran Choudhary**, who has completed his Senior Secondary Education at **Prince School**, Palwas Road, Sikar, under the **Board of Secondary Education, Rajasthan**. Sumit has demonstrated exceptional academic performance throughout his time here, and I am confident that he will continue to excel in his higher education.

Sumit secured **77.60%** in the Senior Secondary Examination of 2024, with distinctions in all his subjects, including **History (90)**, **Geography (76)**, and **English Literature (75)**. His consistent performance is a testament to his diligence, commitment, and strong work ethic.

As the principal, I have seen Sumit grow not only academically but also personally. He has a strong sense of responsibility, is respectful to his peers and teachers, and consistently contributes to the school community. His interest in History and Geography, combined with his aptitude in English Literature, speaks to his well-rounded academic abilities.

I wholeheartedly believe that Sumit has the potential to succeed in his future academic endeavors, and I strongly recommend him for higher studies. He will be an asset to any institution he joins.

If you require any further information or clarification, please feel free to contact me.

Letter of Recommendation from the Subject Teacher (History)

To Whom It May Concern,

I am pleased to write this letter of recommendation for **Sumit Choudhary**, who was one of my brightest students in **History** during his Senior Secondary education at **Prince School**, Sikar. Having taught him for the last two years, I have been consistently impressed by his deep interest in the subject and his outstanding performance in both class discussions and examinations.

Sumit achieved **90 marks** in History in the Senior Secondary Examination of 2024, earning a distinction in this subject. His ability to critically analyze historical events, coupled with his strong understanding of historical context, sets him apart from his peers. He has a natural curiosity and passion for learning, which is evident in the thoughtful questions he asks and the quality of his assignments.

Beyond academics, Sumit has shown commendable personal qualities. He is disciplined, focused, and demonstrates excellent leadership in group projects. His interactions with both classmates and teachers are always respectful and cooperative, contributing positively to the learning environment.

I strongly recommend Sumit for higher education, as I am confident he will continue to thrive in any academic program he chooses. He is a diligent student with a strong academic foundation and a passion for learning.
