

DAYANANDA SAGAR COLLEGE OF ENGINEERING

An Autonomous Institute affiliated to Visvesvaraya Technological University (VTU), Belagavi

Approved by AICTE and UGC, New Delhi, Accredited by NAAC with 'A' grade,

UG courses Accredited by NBA, and ISO 9001-2015 Certified Institution

LETTER OF RECOMMENDATION

To Whomsoever Concerned,

I am writing to wholeheartedly recommend **Mr Ruthvik M P** for admission to your esteemed master's program in Structural Engineering. As a professor who has had the privilege of teaching and mentoring Ruthvik, I can confidently attest to his exceptional abilities, dedication, and passion for civil engineering, particularly in the field of structural design.

Throughout his academic journey, Ruthvik has consistently demonstrated a profound understanding of the principles and practices of structural engineering. His performance in courses such as Design of Reinforced Concrete Structures and Structural Analysis was exemplary, showcasing not only his strong grasp of theoretical concepts but also his aptitude for applying them to real-world problems.

I had the pleasure of supervising Ruthvik's final year project on the "Structural Design of a Steel Intensive Trade Fair Centre". During this project, he exhibited remarkable analytical skills, creativity, and attention to detail. He approached the task with enthusiasm and meticulously addressed various challenges to develop innovative and efficient structural solutions. His final deliverable project not only met but exceeded the expectations, reflecting his ability to tackle complex engineering problems with confidence and ingenuity.

Based on my interactions with Ruthvik and my assessment of his academic and professional capabilities, I have no doubt that he will thrive in your master's program in Structural Engineering. His passion for the subject, coupled with his exceptional academic record and practical experience, make him an ideal candidate for further studies in this field.

In conclusion, I wholeheartedly endorse Mr Ruthvik M P for admission to your master's program and strongly believe that he will make significant contributions to your academic community. If you require any further information or assistance regarding his application, please do not hesitate to contact me.

Thank you for considering Ruthvik's application. I am confident that he will make a valuable addition to your program and emerge as a successful professional in the field of structural engineering.

Sincerely,

Dr. Kiran. B

Associate Professor, Dayananda Sagar College of Engineering
