An Autonomous Institute affiliated to Visvesvaraya Technological University (VTU), Belagavi
Approved by AICTE and UGC, New Delhi, Accredited by NAAC with 'A' grade,
UG courses Accredited by NBA, and ISO 9001-2015 Certified Institution

LETTER OF RECOMMENDATION

To whomsoever it may concern,

As an Associate Professor at the Dayananda Sagar College of Engineering, it is a pleasure to recommend my student, Mr Ruthvik M P, for Master's program at your esteemed institution. I have had the privilege of teaching him 'Highway and Bridge Engineering', 'Railways, Airports and Tunnels' and 'Extensive Survey Project' in his 4th and 6th semester respectively and I highly appreciate his significant contributions to our institute.

Ruthvik has a unique combination of skills that include a deep technical curiosity of the inter-relationships and importance of urban systems. Throughout the coursework, he has demonstrated a special ability to produce quick conceptual studies and vignettes of various urban systems. His focus on specific design aspects is indicative of a desire towards deeper understanding of appropriate solutions. He is highly communicative, personable and would be considered both an asset, and delight, as a student.

Both inside and outside the institute, he will immediately contribute to the university's diversity, requiring minimal supervision as he is highly motivated and self-reliant. I am confident that Ruthvik has a very bright future ahead of him and would greatly appreciate the experience of gaining deeper knowledge through the coursework. I would be grateful if you would consider his candidacy.

Best regards,

Dr. Shiva Kumar G (Ph.D. NIT Karnataka)
Associate Professor, Dayananda Sagar College of Engineering
