Dear sir ,

I hope this message finds you well. I am Arjun Ramesh. I am writing to kindly request a second chance to resubmit my visa application, which was recently rejected due to a mistake in my performance during the interview.

My primary reason for resubmission is to avoid losing a year of academic progress. And also I would like to enroll in the online classes while I am waiting for the completion of visa process.

I would greatly appreciate your understanding and consideration in granting me the opportunity to resubmit my application. I am prepared to provide any additional documents or clarification needed.

Thank you for your time and consideration.

Sincerely,
Arjun Ramesh
