Page 1 of 4

1. The medium of instruction is English.

2. The academic year consists of two semesters and a summer term when required. The courses and the grades along with credits are shown against each semester/term in which the student registered.

Evaluation:

(a) The University follows the system of Letter Grades with associated Grade Points on a scale of 10. The Letter Grades and associated Grade Points along with a brief qualitative description are summarized below:

For Academic Year 2015-16 and 2016-17:

Letter Grade	A+	A	B+	В	C+	С	D	E	F
Grade Point	10	9	8	7	6	5	4	2	0
Qualitative Description	Outstanding	Excellent	Very Good	Good	Above Average	Average	Below Average	Exposed	Fail

From Academic Year 2017-18:

Letter Grade	0	A+	Α	B+	В	С	D	F
Grade Point	10	9	8	7	6	5	4	0
Qualitative Description	Outstanding	Excellent	Very Good	Good	Above Average	Average	Pass	Fail

(b) In some courses descriptive non-letter grades NE: Not Eligible [Failure to obtain minimum marks in Continuous Assessments], NP: Not Permitted (Shortage of Attendance) are awarded which carry 0 grade point and S: Satisfactorily Completed, NC: Not Completed, U: Audited Satisfactorily, I: Incomplete Performance) are awarded which carry no grade point. The other symbols and reports are used in the transcript are: DE: Discipline / Professional Electives, OE: Open Elective; HE: Humanities Elective W: Withdrawn, TGA: Thesis Grade Awaited, DP: Discontinued from the Program, GA: Grade Awaited, RC: Registration Cancelled, RP: Repeated, NA: Not Applicable.

4. Academic Performance Indices: SGPA and CGPA:

Semester Grade Point Average (SGPA) indicates the performance in the concerned semester. The SGPA is the weighted average of the grade points obtained in all the courses registered by the student during that Semester. SGPA for a particular Semester is computed as follows:

$$SGPA = \frac{\sum_{k=1}^{n} [C_k \times G_k]}{\sum_{k=1}^{n} C_k}$$

where:

n is the number of Courses (with Letter Grades and Grade Points, including the Letter Grades F, NE and NP, which have zero grade points) registered by the student in the Semester concerned;

 \mathcal{C}_k is the Credits assigned to Course k and \mathcal{G}_k is the Grade Point received by the student for the Course k.

Cumulative Grade Point Average (CGPA) indicates overall academic performance in all the courses registered up to and including the latest completed Semester/Academic Term. CGPA is computed as follows:

$$CGPA = \frac{\sum_{i=1}^{n} [C_i \times G_i]}{\sum_{i=1}^{n} C_i}$$

where:

n is the number of all the Courses (with Letter Grades and Grade Points, including the Letter Grades F, NE and NP, which have zero grade points) registered by the student up to, and, including the latest completed Semester/Academic Term; C_i is the Credits assigned to Course i and G_i is the Grade Point received by the student for the Course i.

5. Eligibility Requirements:

A student shall be declared to be eligible for the award of the concerned Degree if she/he has:

- Fulfilled the Minimum Credit Requirements and all other mandatory requirements as prescribed by the concerned Program Regulations and Curriculum for the award of the concerned Degree;
- For Undergraduate Programs: Secured a minimum CGPA of 4.50 in the concerned Program at the end of the Semester/Academic Term in which she/he completes all the requirements for the award of the Degree as specified in Sub-Clause a;
- c. For Postgraduate Programs: Secured a minimum CGPA of 5.00 in the concerned Program at the end of the Semester/Academic Term in which she/he completes all the requirements for the award of the Degree as specified in Sub-Clause a;

6. Award of Class:

The award of Class in a Degree shall be based on the CGPA in the concerned Program at the end of the Semester/Academic Term in which the student completes all the requirements for the award of the Degree. In case a student has earned more credits than the required minimum as prescribed by the concerned Program Regulations and Curriculum, the higher CGPA, as applicable, considering the Credits and Grades corresponding to the mandatory minimum credit requirements as prescribed by the concerned Program Regulations and Curriculum, for the award of the concerned Degree shall be considered for the award of Class. Classes shall be awarded as per the following scale:

a. First Class with Distinction:

b. First Class:

c. Second Class (for Postgraduate Programs):

d. Second Class (for Undergraduate Programs):

CGPA of 8.00 and above.

CGPA from 6.50 to 7.99.

CGPA of 5.00 to 6.49

CGPA of 4.50 to 6.49
