## LETTER OF RECOMMENDATION

Dear Admissions Committee,

I am writing wholeheartedly endorse to **Ms. Maria Jose** of final year B.Tech for your esteemed program. As a Professor of **Ms. Maria**, I have had the pleasure of watching her grow and excel both in her academic pursuits and in her extracurricular activities from her second year of degree studies.

Maria is a key member of a project team for the development of Leaf based Diet Cookies. Her exceptional research skills and dedication to her work have earned him recognition from experts in the field. Not only is her passionate about her research, but her also has a natural talent for explaining complex concepts in a way that is easy for others to understand. Ms. Maria is also attended many internship programme in the key areas of Biotechnology in reputed training centers in Kerala.

In addition to her academic achievements, Ms. Maria is also an active participant in a range of extracurricular activities. She has demonstrated her leadership skills as a member of several student organizations and has helped to organize events that have had a positive impact on the community.

Ms. Maria Jose has always been willing to lend a helping hand to her classmates. She has gone out of her way to mentor and guide her peers, sharing her knowledge and expertise with others. Overall, **Ms. Maria Jose** is an exceptional student who would be an asset to any program. Her passion for research, leadership skills and commitment to helping others are just a few of the many reasons why I have no doubt that he will succeed in her future academic and professional endeavors. I strongly recommend Ms. Maria for your program without hesitation. If you have any questions about this recommendation, please do not hesitate to contact me for I will gladly try to help.

Thank you for your time and consideration.

Sincerely,

Dr. P. C. Madhu  
Professor  
Department of Biotechnology
