LETTER OF RECOMMENDATION

Dear Admission Committee,

I am pleased to recommend Mr. RAMANAND C.R (Reg.No: 1604CVM573) for graduate study at your university. I have observed his performance and competencies which have always been consistent and prolific.

He has the ability to assimilate the fundamentals and apply them to solve practical problems underscores his perceptiveness. Mr. RAMANAND C.R biggest strength is his highly practical and analytical approach to the subjects. He had proved his resourcefulness with his idea for the final year project.

Apart from academics, he has a natural inclination towards organizing and participating in events like symposiums, seminars and cultural events. He showed a great level of enthusiasm and has good oral and written communication skills which helps him put forth everything he deals coherently.

I am convinced of his dedication to his ultimate career objectives. Given a chance, I am sure that he will come out with flying colors. I whole heartedly support and recommend his candidature for the master's program in your esteemed university and wish to Mr. RAMANAND C.R the very best in years to come. I have no doubt that he will farewell as impressively with you as he has with us.

Yours Sincerely

Head of the Department
Department of Civil Engineering
