MOTIVATION FOR APPLYING

I Always Wanted To Become A Business Professional Since My School Days. I Am Eager To Pursue A Bachelor Of Business Administration Degree At Poland VISTULA university warsaw To Gain A Comprehensive Understanding Of The Various Aspects Of Business Management. The Idea Of Becoming An Entrepreneur Ignited When I Was Assigned To Organize Events At My School. I Gained Experience In Team Management, Project Planning, Problem-Solving, Etc. Further, I Participated In Several Entrepreneurship Competitions To Learn More About It.

My Passion For This Field Drove Me To Choose Commerce, Economics, And Business Mathematics As My Main Subject During High School Which Provided Me With A Solid Foundation In Business Fundamentals. However, I Recognize That A B.A (Hon) Degree Will Provide Me With A More Holistic And Practical Approach To Business. I Am Particularly interested In the Courses on Organizational Behaviour, Strategic Management, And Marketing, Which Will Enable me To Develop the Skills Needed to Manage and Grow a Business.

I had financial problems during my high school days that I consider as my setbacks. To support my family, I studied hard and topped school during the 10th public exams. I secured a seat on a scholarship for my high school. During that phase of my life, I learned to handle financial expenses.

Apart from academics, I have also taken on various leadership roles in extracurricular activities such as school leader, and captain in sports. Through these experiences, I have developed strong communication, teamwork, and leadership skills that will be valuable for my future career.

I strongly believe that the B.A (Hon) course at Poland VISTLA university, WARSAW will be the perfect choice for me as the course also includes practical experience gained through projects and internships along with the theoretical part.

PERSONAL AND FAMILY BACKGROUND

Happy to introduce myself as Khush Valer, born and raised in Surat, Gujarat. My father, Montu Valera, is a businessman in Textile Market and my mother, Kashmira Valer is an Makeup Artist. I am an optimistic, confident and hard-working person. I am passionate

about my prospects because I always want to do something creative and productive. I come from a middle-class family. My parents are both hard-working and supportive, and they have always instilled in me the importance of education and perseverance. I am grateful for the values they have taught me, and I believe they have made me a strong and resilient person.

ACADEMIC DETAILS

I have completed my 10th with 60% from NIS (Board of Open Schooling and Board Education) in year 2021 and 12th with 69% from NIS (Board of Open Schooling and Board Education) in 2023. After completing Year 12, I planned to pursue international studies in Poland.

WHY POLAND

After conducting extensive research and carefully evaluating my options, I arrived at a shortlist of two countries: POLAND and GERMANY. Each of these nations boasts prestigious universities renowned for their academic excellence, offering degrees that are globally recognized—an aspect that I find incredibly appealing and essential for my educational journey.

Upon closer examination, it became evident that POLAND has a distinctive edge in the field of Early BUSINESS Education, offering a plethora of opportunities that are unparalleled in comparison to many other countries. This insight prompted in-depth discussions within my family. Through thoughtful deliberation, we arrived at a collective decision: pursuing a study visa in POLAND is the most favourable choice for my educational aspirations. One of the compelling factors influencing our decision is the fact that institutes in POLAND are consistently ranked among the finest in the world. Graduates from these institutions are known to possess world-class qualifications that are widely recognized on a global scale. This recognition holds immense value for my future prospects and aligns perfectly with my academic goals.

Moreover, the prospect of studying in POLAND excites me not just for its academic excellence but also because it offers a safe, friendly, and culturally sophisticated environment. For international scholars like me, having the opportunity to immerse oneself in an English (Polish) - speaking country with such a warm and inclusive atmosphere is invaluable. This conducive learning environment not only fosters academic growth but also personal development, making it an ideal choice for my educational journey.

COURSE SELECTION

In Poland VISTULA University, WARSAW, there are comprehensive 3-year programs at Level 5 and Level 6, both designed to provide in-depth knowledge and skills in the field of Early BUSINESS Education. These programs are focused on preparing students to become proficient educators, capable of nurturing and guiding the development of infants, toddlers, and young children.

Level 5 of the program is tailored to enhance my abilities as an educator, equipping me with the expertise needed to support and educate babies, toddlers, and young children effectively. This foundational level emphasizes the essential aspects of caregiving and education during the early stages of BUSINESS.

Moving on to Level 6, the program delves deeper into the pedagogical aspects of Early BUSINESS Education, covering key areas such as language, knowledge, creative arts, mathematics, family and community, and leadership in early BUSINESS settings. This level focuses on providing a comprehensive understanding of these fundamental areas, enabling scholars to become proficient and confident Businessman.

I am drawn to this specific course because I envision myself becoming a positive role model for children, much like my parents have been for me. The hands-on learning approach emphasized in this program aligns perfectly with my learning style, as it focuses on practical experiences rather than theoretical concepts. Research indicates that the early years, from 0 to 8, are crucial for children's language and cognitive development, emotional regulation, and social skills. Early Business plays a pivotal role in shaping a Business future, making it imperative for educators to provide a nurturing and enriching environment.

This course offers a unique opportunity to explore the specific techniques and methods that contribute to effective early Business education. By understanding these nuances, I can help young minds adapt and learn, setting them on a path towards a successful future. Moreover, this course provides me with a valuable chance to explore the intricate connections within the realm of Business development, enhancing my expertise and ensuring that I can make a meaningful impact in the lives of the children I will educate and nurture.

FUTURE PLANS

Upon successful completion of the comprehensive 3-years B.A (Hon) in Business Management Leadership (Level 5 & 6), my aspiration is to advance my educational journey by enrolling in the esteemed Bachelor of Teaching in Early BUSINESS Education (Level 7) program, a prestigious offering provided by Poland VISTULA University, WARSAW This higher-level academic pursuit is paramount in achieving my ultimate objective of attaining recognition as a certified schoolteacher in Poland, aligning meticulously with the stringent benchmarks established by the Poland Qualifications Authority (Poland VISTULA University, WARSAW). This advanced degree not only serves as a testament to my commitment to the field but also signifies my dedication to fostering a rich educational environment for young learners, drawing inspiration from the foundational knowledge and hands-on experiences gained during the Degree program. As emphasized in the earlier paragraphs, this decision is fuelled by my deep-rooted passion for becoming a positive influence in the lives of children, a goal further reinforced by the profound impact that early BUSINESS education can have on a child's overall development. Enrolling in this Bachelor's program is not just a step forward in my academic journey; it's a conscious choice to enhance my expertise, ensuring that I am well-equipped to provide the best possible education, nurturing the future generations of Poland VISTULA University, WARSAW.

Thanks, and regards Khush Valer
