Letter of Recommendation

It is with the great pleasure I recommend Mr. HANIN RAHMAN P bearing USN 4DM20ME013, for the admission at your esteemed University. I personally know Mr. HANIN RAHMAN P as he was my student at Yenepoya Institute of Technology, Moodbidri.

He is a talented student who was always keen and curious to explore new areas. Being his Professor I consider him as one of the most obedient, disciplined and sincere student. He was an active participant in various academic and non academic discussions in class with great communication skill. He was also very attentive and his grasping ability is also appreciable. He used to apply a lot of thought in the learning process. He was found very supportive towards his fellow mates in all academic matters.

I am confident that Mr. Mr. HANIN RAHMAN P has the required skill set and strong motivation towards his goal. I am sure that he will deliver best efforts in all his endeavors and make most out of the opportunities he receives. I there by recommend him for admission to your Master's programme.
