ABOUT ME

As a designer, I'm committed to crafting outstanding digital experiences. With a focus on aesthetics and a user-first approach, I combine creativity with functionality. By using detailed design processes like wireframing and prototyping, I transform ideas into reality, ensuring smooth interactions and visually striking interfaces.

WORK EXPERIENCE

18/08/2022 - CURRENT Ernakulam, India

User interface designer TATA Consultancy Services limited

1. Conduct user research to understand user needs and behaviors.
2. Create user personas, journey maps, and storyboards to represent key findings.
3. Design wireframes, mockups, and prototypes to visualize concepts.
4. Develop intuitive and user-friendly interfaces for web and mobile applications.
5. Collaborate with cross-functional teams, including developers and product managers
6. Visual designing, illustrations, Design system.

HOBBIES AND INTERESTS

Basketball

Basketball is more than just a sport for me; it's a way to challenge myself competitively, collaborate with others, and continuously improve through practice.

Swimming

Swimming serves as a mental exercise for me. I am part of a local river club in my hometown, where I also volunteer to teach swimming lessons.
