Certificate of Appreciation

This is to express our sincere appreciation to **Ryan Ruben Susai** for his outstanding contributions to the successful implementation of Industrial Shopfloor automation and the integration of Industry 4.0 principles at Disha Auto Components Pvt. Ltd.

Project Details:

Project Title: **Industrial Shopfloor Automation and Implementation of Industry 4.0 Principles**

Achievements:

- Development and installation of a specialized conveyor and stencil machine
- Laid the foundation of Shopfloor IoT – Digitization of Manual Records
- Designing automation solutions for the banding process
- Optimization of paint curing time from 3 hours to 10 minutes

His dedication, expertise, and innovative approach have been instrumental in driving the project forward and achieving remarkable results. His leadership and collaboration have inspired the team and contributed significantly to the advancement of our manufacturing processes.

We commend his exceptional performance, professionalism, and commitment to excellence throughout the project duration. His contributions have not only enhanced operational efficiency but have also positioned our company at the forefront of technological innovation in the automotive industry.

Impressed with his overall performance, contribution and conduct in the work environment, we are pleased to inform that we have converted his Non-Stipend Internship to a Paid Internship, with a cheque amount of INR 25,000 for his tenure. We congratulate him for his efforts and wish him all the best for his future endeavors.

We would also like to extend our thanks to Vellore Institute of Technology, for the commendable job of shaping these interns to their full potential. Their exemplary performance showcases the quality of engineers your institution produces.

Given under our hand on this 22nd day of April, 2024.
