It is my honour to recommend Humaid Irfan Kazi to your university. He was my student for the past two years and I believe that I am in a good position to recommend him.

Humaid was a very conscientious student. His qualities are not only in written examinations but more so in debates and discussions in class. He participated in various research projects and works very well with a team. He would always try to apply his knowledge practically in classes. I know that Humaid will gain the knowledge and skills that he needs to be an excellent medical student by being a student in your esteemed University and I sincerely hope that he will be accepted.

Having mentioned all of the above, I am certain and I believe that Humaid Irfan Kazi is a perfect fit for the Medical course.
